

# Stamford Youth Soccer Presents: QUALITY TOUCH SOCCER ACADEMY

# 2011 **Fall** Skills Training

## Training Approach

Quality Touch's goal is to teach the basic fundamentals and technical skills of the sport to enable players to have confidence when they are out there in the field of play. The more comfortable they are with the ball, the more fun and more successful their soccer experiences will be. These skill trainings are a gateway to Stamford Youth Soccer Travel where individuals can be directly identified by the coaching staff as potential players for travel soccer and a higher level of play. Travel players also use this program to fine tune their skills.
